

Apply Now!

Applications can now be made to undertake the Critical Care Course at Leeds Teaching Hospitals for the September 2023 and January 2024 cohorts.

The course is delivered at Level 6 and Level 7 and accredited by Manchester Metropolitan University.

Application forms can be found on the WYCCN website (www.wycnn.org).

Closing date for applications is Tuesday 28th February 2023.

Completed application forms to be sent to: leedsth-tr.criticalcarecourseacc@nhs.net

Interviews will be held on Monday 5th June and Tuesday 6th June 2023 - **please state on your application form if you are unable to make these dates.**

The following admissions criteria apply:

Applicants must:

- Provide evidence of current Healthcare registration
- Have successfully completed a period of locally agreed preceptorship
- Be up to date with Mandatory Training
- Complete the pre-course competencies (Step 1)
- Work a minimum number of clinical hours during the course of the programme (three short shifts or two long days per week)
- Have worked in their current clinical environment for a minimum of 12 months prior to accessing the course
- 40% of clinical practice hours should allow for contact with a mentor / supervisor over the duration of the course. This will allow for supported clinical practice, review, and assessment of personal progress for the duration of study
- Have approval from line manager and unit education team
- Be able to demonstrate the ability to study at the chosen academic level via the pre-course 500 word written exercise - further information can be found on the application form
