

Statement of Good News from Critical Care Network Nurse Leads National Group (CC3N)

Today there has been official confirmation from the Department of Health and Social Care that there is to be a £10 million pounds of this funding is to be dedicated to develop a new, nationally recognised, critical care qualification.

Further information on this can be accessed via the link below

<https://www.gov.uk/government/news/25-million-boost-for-nurse-training>

CC3N have been working collaboratively with HEE to secure this funding for the “new” nationally recognised, critical care qualification, which is built on the CC3N/CCNERF Educational Standards and includes the CC3N/CCNERF Step Competency Framework.

We wish to thank everyone for all their hard work with this and to thank Ruth May, Chief Nursing Officer for England and her team for supporting us in this project .
